CLAUSES INCORPORATED BY FULL TEXT

52.212-2 EVALUATION--COMMERCIAL ITEMS (OCT 2014) **“TAILORED”**

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

THIS PROCUREMENT IS SET ASIDE FOR SMALL BUSINESS. ALL RESPONSIBLE SMALL BUSINESS SOURCES MAY SUBMIT A RESPONSE WHICH, IF TIMELY RECEIVED, WILL BE CONSIDERED BY THE AGENCY.

Quotes will be evaluated and ranks according to price, from lowest to highest. The Government reserves the right to evaluate only the technical proposal of the lowest price offeror. Other technical proposals may not be evaluated unless the Government determines the lowest price offeror to be unacceptable or non-responsive. In the event that Government determines the lowest price offeror to be unacceptable, the technical proposal of the next lowest price offeror will be evaluated. This process will continue until a technical proposal is determined to be acceptable.

Technical acceptability will be based on the demonstrated ability to meet the technical requirements, including the delivery requirement. A mere statement that the vendor “will meet the Government’s requirements” is insufficient; the vendor must demonstrate how it will meet the requirement. Lowest Price Technically Acceptable (LPTA) will be evaluated on: (1) price; (2) technical; and (3) delivery.

To ensure technical compliance with the requirements, vendor quotes shall include the following information:

- a. Vendor Specifications. The manufacturer’s name and manufacturer’s complete part numbers of items shall be submitted in the quote.
- b. Vendor’s quote shall include an active Cage Code and Federal Tax Identification number. Vendors are required to be registered with SAM database and have an active cage code at the time of award.
- c. Delivery Information. Clearly state if the quoter can meet the requested delivery as stated in each CLIN. If not, then state the best delivery date.

(b) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer’s specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(c) Quotes are to be submitted via email to deborah.woleslagle@usmc.mil or by fax at 910-451-2331 by the response date notated on the solicitation.

(End of provision)

(1) [____] Are, [____] are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) [____] Have, [____] have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(4) [____] Have, [____] have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals Contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).
